 In the past few weeks we have gone through many changes at PWC. We are very happy with the results. The rotating groups run smoothly and everybody seems to have adjusted to the new members and staff. We are one big happy family!

 **IMPORTANT:**

On **Thursday July 16th** PWC will be **CLOSED** because staff will be engaged in a **Staff Development Day**. Please make alternative arrangements for that day. This will be a yearly event.

 Lunchtime is challenging at PWC. Thank you so much for helping out and bringing in "cold" lunches 😊

 Welcome to all our new members and their friends and families. We would like to invite any questions and comments about PWC, so feel free to stop by or call us anytime.

*****Planned expenses for May:**

Amount currently in member's account: _____

 Any money needed for things like pop, lunches out, etc.

Member account balances are done once a month, but please feel free to email or call us at anytime to get a balance on an account. **Members and their families/caregivers are responsible for making sure that members have enough money available** (either on them or in their PWC account) for all planned activities as well as for any soda pop, lunches, etc. that they wish to purchase.

Dress appropriately for the weather: Please make sure to wear and bring appropriate clothing and supplies for the weather. Members can keep items like coats, extra shoes and socks, sunscreen and even extra clothes on either their coat hook or in their cubby each day so that they are prepared for whatever we might be doing that day. You never know when you might get soaked in a water fight 😊.

Everybody has their own personal cubbies. Please swap out winter clothes for summer clothes.

Thank you, Pointe West Club Staff
